HOTEL DEPARTMENTS

Housekeeping Department

1. Workforce Positions & Headcount

- **Room Attendant – 18**

- Cleans and prepares guest rooms, replenishes amenities, changes linens, and performs daily housekeeping.
- Average assignment: **6–8 rooms per shift**, with fewer rooms for suites due to longer cleaning times.

- **Housekeeping Supervisor – 3**

- Oversees daily operations, conducts room inspections, assigns workloads, manages inventory, and handles guest housekeeping concerns.
- One supervisor can oversee each work zone (guest rooms, public areas, and evening operations).

- **Housekeeping Runner – 4**

- Delivers linens, towels, guest amenities, and housekeeping supplies.
- Assists room attendants and responds to guest requests such as extra pillows, blankets, toiletries, and laundry pickups.

- **Public Area Attendant – 4**

- Cleans and maintains hotel lobbies, hallways, elevators, conference halls, ballroom, restaurant common areas, bar entrances, pool area, and public restrooms.

2. Shift Schedules

- a. **Day Shift**

- **Time: 6:00 AM – 2:00 PM**

- **Primary Responsibilities:**
 - Room cleaning
 - Guest check-out room preparation
 - Linen replenishment
 - Public area cleaning
 - Restocking amenities
- b. Night Shift**
 - **Time: 2:00 PM – 10:00 PM**
 - **Primary Responsibilities:**
 - Turndown service
 - Guest requests
 - Evening room maintenance
 - Final inspections
 - Preparing rooms for the following day

Mandated Department Tasks

1. Room Deep Clean

- Thorough cleaning of guest rooms including furniture, fixtures, bathrooms, windows, and hard-to-reach areas.
- **Estimated Manpower:** 1 worker
- **Estimated Duration:** 30 minutes

2. Linen Exchange

- Replace used bed sheets, pillowcases, towels, and other linens with clean replacements.

3. Turndown Service

- Prepare guest rooms during the evening by arranging beds, closing curtains, refreshing towels, and creating a comfortable sleeping environment.

4. Trash Collection

- Collect and properly dispose of waste from guest rooms and housekeeping stations while following sanitation procedures.

5. Restock Amenities

- Replenish guest supplies such as:
 - Toiletries
 - Towels
 - Drinking water
 - Coffee and tea supplies
 - Tissue paper
 - Slippers
 - Laundry bags

Guest Services Offered

1. Room Cleaning Services

Standard Clean

- Daily cleaning and maintenance of occupied guest rooms.

Deep Clean

- Comprehensive cleaning for long stays, scheduled maintenance, or heavily used rooms.

Express Clean

- Quick cleaning focused on essential tasks for guests needing immediate room availability.

Touch-up Service

- Minor room refresh including bed straightening, trash removal, towel replacement, and surface cleaning.

2. Guest Preparation Services

VIP Preparation

- Special room setup for VIP guests, including premium amenities and personalized arrangements.

Checkout Cleaning

- Complete cleaning and inspection of rooms after guest departure before assigning to the next guest.

Evening Guest Service

Turndown Service

- Evening preparation of the guest room by tidying the space, refreshing amenities, and preparing the bed for nighttime comfort.

Standard Operating Guidelines

- Wear appropriate personal protective equipment (PPE), including gloves.
- Use eco-friendly and hotel-approved cleaning chemicals.
- Follow hotel sanitation and safety procedures.
- Complete the assigned task checklist before marking work as finished.
- Report damaged items, maintenance concerns, or lost-and-found belongings immediately to the supervisor.
- Ensure all rooms meet hotel cleanliness and quality standards before release
